

# Crafty Crossing Out

*2 players*

*A whiteboard/paper each to write down your numbers*

- Take turns to pick a number from the grid and cross it out
- Add them together to keep a total
- The first player to get to **39** exactly is the winner
- Play at least 3 times – have you created a winning strategy?

10	1	2	9	13
7	10	8	7	1
2	3	12	4	8
9	3	7	11	9
3	1	2	4	11

# Crafty Crossing Out

*2 players*

*A whiteboard/paper each to write down your numbers*

- Take turns to pick a number from the grid and cross it out
- Add them together to keep a total
- The first player to get to **58** exactly is the winner
- Play at least 3 times – have you created a winning strategy?

10	1	2	9	13
